**PEOPLE'S UNITED COMMUNITY FOUNDATION AWARDS
\$637,940 TO COMMUNITY ORGANIZATIONS FOR THE THIRD
QUARTER 2011**

BRIDGEPORT, CT – The People's United Community Foundation announced today that it has awarded \$637,940 in grants to nonprofit organizations in its service area for the third quarter of 2011. Sixty organizations throughout six states received funding in support of their programs, which ranged from basic needs services and affordable housing initiatives, to education and employment programs.

“We are delighted to support these deserving nonprofit organizations throughout our footprint,” said Vincent Santilli, Executive Director of People's United Community Foundation. “Nonprofit organizations are under significant pressure to deliver their services in a very challenging economic environment. People's United Community Foundation is proud to join our community partners in a collaborative effort to improve the quality of life in the cities and towns we serve.”

For a detailed list of all the organizations which People's United Community Foundation has supported in the third quarter of 2011, please refer to the charts below.

Established in 2007, People's United Community Foundation was formed to help support programs and activities that enhance the quality of life for citizens in the communities that People's United Bank serves. With special emphasis on programs designed to promote economic self-sufficiency, education and improved conditions for low-income families and neighborhoods, the funding priorities of the Foundation include: community development, youth development, and affordable housing.
